

CLASSIC PLANT LIGHT BOX

Create a lush floral display with our beautiful Classic Plant Light Box. Both elegant and highly functional, this black lacquered light box makes it easy to grow gorgeous orchids, flowering tropicals, herbs, and other light-loving plants indoors. Filled with flora, the Classic Plant Light makes a striking addition to any room.

Product Highlights

- * Is equipped with two specially-engineered, plant spectrum fluorescent bulbs that bathe your plants in just the right spectrum light for growing and flowering.
- * As plants grow, you can easily adjust the height in three increments between 17 and 24 inches.
- * Includes a Humidity Tray with a built-in drainage feature.

Live with what you love . . . live with plants!
